# Dedication

WE, the seniors, gratefully dedicate our 1949 RENOCANI to MRS. AVRA HESTER. It was she who guided us along paths of health and knowledge. It was she who urged us to dig our feet into the ground and leave *worthy* footprints in their wake.

## "Spring Fever" The Cast

#### HANES 21-REIDSVILLE 7

Fighting for a chance at the conference crown, the Golden Lions were thrown for a heavy loss by Hanes High of Winston-Salem. The score was tied 7-all at the half, but Hanes' backfield star, Cooke, ran the third period kickoff for the touchdown that was the turning point of the game. The mighty Hanes team went on to win 21-7. Jack Davis on offense and Charlie O'Bryant on defense stood out for the Lions.

#### REIDSVILLE 7 ROXBORO 7

A heavily favored Reidsville team had to put on a determined drive in the waning moments to tie a hard-fighting Roxboro team. Andy Courts turned in an unusual performance playing alert the entire game. Peters, Chaney, and Shumate were also stars in the hard-fought contest.

#### MT. AIRY 7-REIDSVILLE 6

The Lions were the victims of a tough break when an attempted conversion hit the goal post and bounced back causing the Lions to fall on the short end of a 7-6 score. Peters was the leading ground gainer in the closely contested game against the traditional rivals-Mt. Airy Bears.

#### REIDSVILLE 26 MINERAL SPRINGS 0

Tramping up and down the field repeatedly the Lions swamped the Green Wave from Mineral Springs by a 26-0 score. "Tank" Hardy flanked the line play while Chaney scored two of the Lions' touchdowns. Marks was also a standout in the Lions' backfield.

#### HIGH POINT 33 REIDSVILLE 0

Reidsville High's Golden Lions played the "The Battle of the Mud" against the Bisons of High Point who chalked up a 33-0 win over the out-classed Lions. It was the only game of the season that the Lions were unable to push across the goal for a score. This game concluded the regular season for the Golden Lions who won three, lost six, and tied one.

# 'Round and About Football

REIDSVILLE 25

DANVILLE 7

The Golden Lions got the 1948 season off to a good start with an impressive 25-7 victory over George Washington High of Danville, Virginia. The Lions proved the will to fight being behind 7-0 at the end of the first quarter. Quarterbacks, Tommy Hopkins and "Rooster" Royster, looked especially good in the Lions' new T-formation. They both intercepted passes to set up the Lions' scores.

REIDSVILLE 12

LEAKSVILLE 7

A fighting Leaksville High team was turned back by the Lions, 12-7. The scrapping Lions got off to a good start by scoring two quick touchdowns in the first quarter, but they had to be content to hold the "Red Devils" to that score for the remainder of the game. Craig Blackburn was the standout for the Lions, not only scoring both touchdowns but being a stand-out on defense also.

GRAY 19-REIDSVILLE 6

Gray High of Winston-Salem rolled over the Golden Lions 19-6. Even though the Lions played well, they just couldn't master the Gray High Eleven. Coach Tom Cash's dashing Greyhounds scored three quick tallies to win the game.

BURLINGTON 28

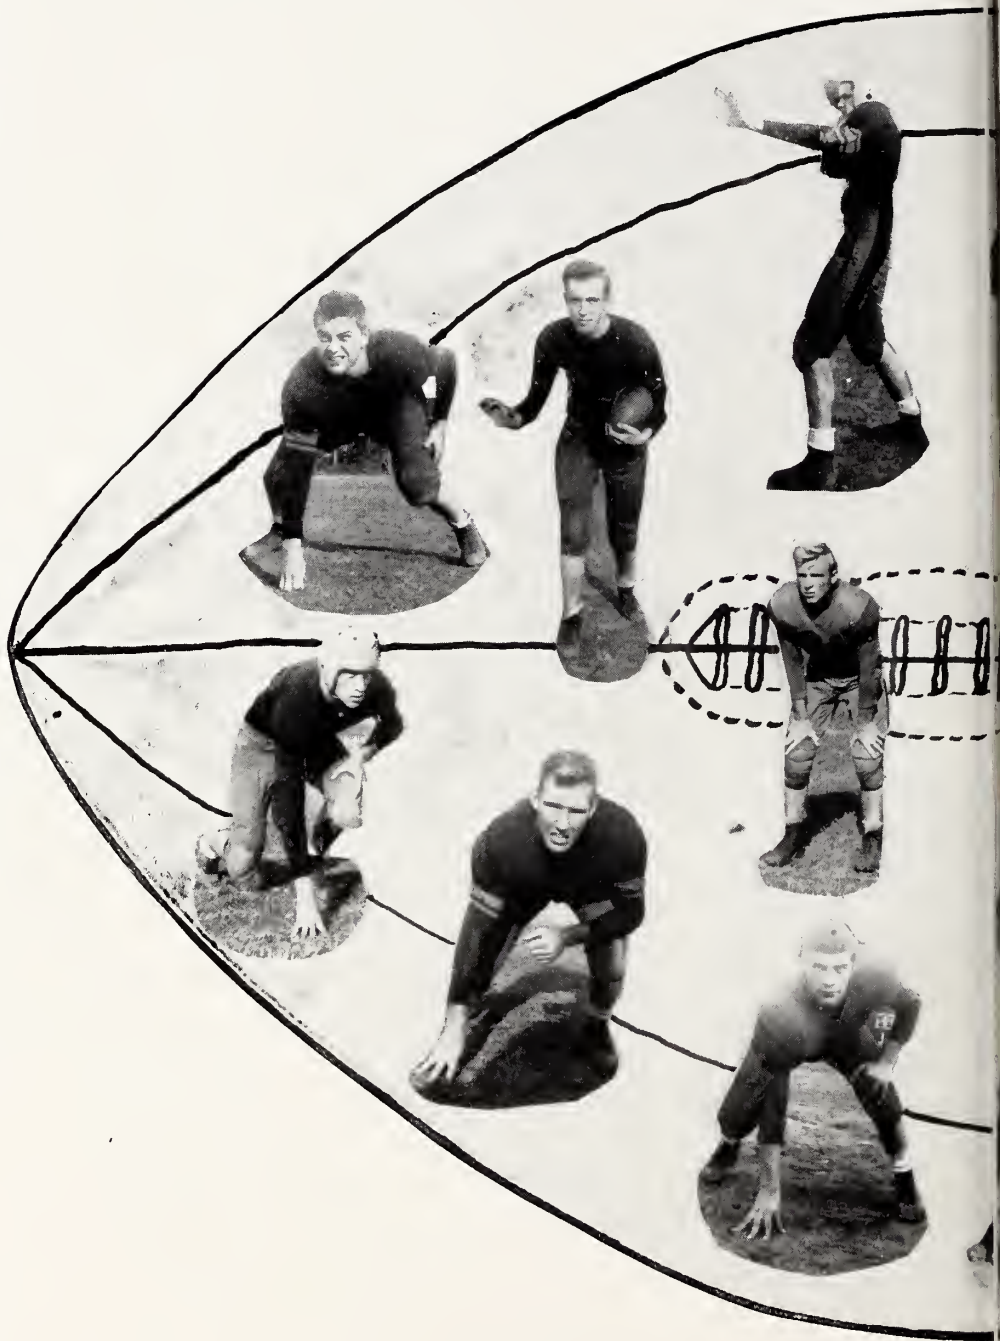

REIDSVILLE 7

The Golden Lions played an exceptional game, but came out on the short end of a 28-7 score at the hands of the Burlington Bulldogs. Alfred Rivers, guard, played a bang-up game for the Lions.

GREENSBORO 26

REIDSVILLE 6

Greensboro's Purple Whirlwind proved a little too much for the plucky Reidsville eleven. The Whirlies ran up 26 points to the Lions' 6. The Lions showed a fine running and passing game, but were unable to cope with the tricky reverses and slippery running of the Greensboro lads.

# *Juniors*

This was our Junior year. We were nearing the completion of our journey through Reidsville High School. Our year was highlighted by the Junior-Senior Banquet. We had our serious moments and we had our fun. We set as our example the Seniors; we followed in their footsteps.

# Sophomores

We were Sophomores in 1949. We felt that we were definitely a part of Reidsville High School. As we traveled through the year we realized the fact that the way was not all easy. There were obstacles to overcome and heights to climb. We tried to follow in the footsteps of the Juniors and Seniors.

# Freshmen

September, 1948, found us walking through the halls of Reidsville High School for the first time. At first, we were "green." Many a time we were lost on the third floor when we should have been on the first floor. Through the guidance of the helpful Seniors we soon learned our way around. Our footsteps were directed aright and we became a vital part of the school.

A photograph showing four students in a classroom. On the left, a male student in a dark sweater looks towards a laptop. Next to him, a female student with blonde hair looks at the screen. To her right, another female student with dark hair is also looking at the laptop. On the far right, a male student in a dark shirt is looking towards the laptop. They are all gathered around a desk where the laptop is placed. The background is slightly blurred, showing other students and classroom elements.

**L'HISTOIRE DE  
LA FRANCE**

La France est une république dans la position centrale à l'ouest de l'Europe. Dans le combat pour la vie, la France a beaucoup souffert. Elle était autrefois une population. C'était l'arrivée qui venait. Les villages étaient quand C arrive, il rencontre trop de résistance dans ce pays. La civilisation romaine étant supérieure, la France, qui Gaule, est vite

# 'Round and About Football

REIDSVILLE 25  
DANVILLE 7

The Golden Lions got the 1948 season off to a good start with an impressive 25-7 victory over George Washington High of Danville, Virginia. The Lions proved the will to fight being behind 7-0 at the end of the first quarter. Quarterbacks, Tommy Hopkins and "Rooster" Royster, looked especially good in the Lions' new T-formation. They both intercepted passes to set up the Lions' scores.

REIDSVILLE 12  
LEAKSVILLE 7

A fighting Leaksville High team was turned back by the Lions, 12-7. The scrapping Lions got off to a good start by scoring two quick touchdowns in the first quarter, but they had to be content to hold the "Red Devils" to that score for the remainder of the game. Craig Blackburn was the standout for the Lions, not only scoring both touchdowns but being a stand-out on defense also.

GRAY 19-REIDSVILLE 6

Gray High of Winston-Salem rolled over the Golden Lions 19-6. Even though the Lions played well, they just couldn't master the Gray High Eleven. Coach Tom Cash's dashing Greyhounds scored three quick tallies to win the game.

BURLINGTON 28  
REIDSVILLE 7

The Golden Lions played an exceptional game, but came out on the short end of a 28-7 score at the hands of the Burlington Bulldogs. Alfred Rivers, guard, played a bang-up game for the Lions.

GREENSBORO 26  
REIDSVILLE 6

Greensboro's Purple Whirlwind proved a little too much for the plucky Reidsville eleven. The Whirlies ran up 26 points to the Lions' 6. The Lions showed a fine running and passing game, but were unable to cope with the tricky reverses and slippery running of the Greensboro lads.

#### HANES 21-REIDSVILLE 7

Fighting for a chance at the conference crown, the Golden Lions were thrown for a heavy loss by Hanes High of Winston-Salem. The score was tied 7-all at the half, but Hanes' backfield star, Cooke, ran the third period kickoff for the touchdown that was the turning point of the game. The mighty Hanes team went on to win 21-7. Jack Davis on offense and Charlie O'Bryant on defense stood out for the Lions.

#### REIDSVILLE 7 ROXBORO 7

A heavily favored Reidsville team had to put on a determined drive in the waning moments to tie a hard-fighting Roxboro team. Andy Courts turned in an unusual performance playing alert the entire game. Peters, Chaney, and Shumate were also stars in the hard-fought contest.

#### MT. AIRY 7-REIDSVILLE 6

The Lions were the victims of a tough break when an attempted conversion hit the goal post and bounced back causing the Lions to fall on the short end of a 7-6 score. Peters was the leading ground gainer in the closely contested game against the traditional rivals-Mt. Airy Bears.

#### REIDSVILLE 26 MINERAL SPRINGS 0

Tramping up and down the field repeatedly the Lions swamped the Green Wave from Mineral Springs by a 26-0 score. "Tank" Hardy flanked the line play while Chaney scored two of the Lions' touchdowns. Marks was also a standout in the Lions' backfield.

#### HIGH POINT 33 REIDSVILLE 0

Reidsville High's Golden Lions played the "The Battle of the Mud" against the Bisons of High Point who chalked up a 33-0 win over the out-classed Lions. It was the only game of the season that the Lions were unable to push across the goal for a score. This game concluded the regular season for the Golden Lions who won three, lost six, and tied one.

# Footprints on the Sands of Time

Seventeen years ago the class of '49 took its first steps on the sands of time. After the long awaited six years, we finally began our school days. We were divided among four schools—North End, South End, Franklin Street, and Lawsonville Avenue. For the first grade girls, school wasn't quite as exciting as they had imagined it, for on the first day some of the boys cried. This shattered all the dreams of romance.

In the spring of the third year, the Reidsville schools planned to have a music festival in the old baseball park, but an epidemic of measles soon dwindled the large number of participants into a very small cast. One little girl, who was quarantined, said, "Now we'll all be 'guarntced' and can't be in the show."

For seven years we remained in our respective schools, studying, playing, and growing. At the end of this time, we graduated from the grammar grades into the eighth grade. This was the year that we assembled at Franklin Street and became one class.

We were proud of the promotion, for the eighth grade brought many thrills. The departmental work was new and fascinating. Our class was the first eighth grade to have several players on the first string high school basketball team. The players who represented us were Joan Ratcliffe, Peggy Pettigrew, and Maggie Sue Durham.

Peggy Pettigrew was elected cheerleader from our class for the following year, a job she did so well that she was re-elected for two consecutive years.

At our commencement, we presented a pageant entitled "The Hope of the World." L. J. Perry, superintendent of schools, in the graduation address to the eighth graders, predicted that of our Class of 134, approximately 85 students would continue through high school. This prediction was based on statistics.

When the fun of the eighth grade was finally terminated, we began to feel more important, for, at last, we were to be a part of R. H. S. As September approached, our ego increased, only to be deflated by the upperclassmen. As we became accustomed to the new method of being educated, the other students seemed to grow friendlier. After getting settled in our new home, we elected Freshman Class officers. They were Henry Clark, president; Tommy Hopkins, vice-president; Dorothy Wilson, secretary; and Bobby Peters, treasurer. These were the students who led us through a fascinating year.

As time flew by, we left another footprint and were ready for the following year as sophomores. When we returned to school in the fall, we welcomed E. C. Anderson, the new principal. C. C. Lipscomb had stepped up from principal to superintendent. The class officers that year were Mitchell Chaney, president; Marilyn Coleman, vice-president; Betty Ware, secretary; and Jess Draper, treasurer. We were kept busy that year with May Day, football, basketball, club activities, and above all, studying.

Another footprint, and we emerged juniors. This year was filled to overflowing with activities. The girls' basketball team won the County Championship. Five girls from our class were on the victorious team. Eight of our classmates were marshals. These were Barbara Kruse, chief; Marie Moose, Diane Young, Jacqueline McKinney, Joan Ratcliffe, Marie Richardson, Clarence Tally, Jr., and Henry Clark, II. This year R. H. S. organized a golf team, with Henry Clark, a member of our class, as president of the team. May Day and Field Day were quite exciting. And, oh! the many long hours that we spent on the Junior-Senior Banquet and the Daisy Chain! How could anyone forget two such gala occasions as these? The decorations that we used for the banquet were perfect—we thought! We had an "Irish Garden," remember? The many energetic students who worked so diligently on the Daisy Chain had the thrill of carrying it on the night of graduation. This year we elected Joan Ratcliffe, president; Elizabeth Small, vice-president; Dorothy Tally, secretary; and Page Smith, treasurer of our class.

The biggest footprint of them all! Our senior year! The time we had worked and had studied for so diligently had arrived. Joe Bray was our president; Bryan Watlington, vice-president; June Crowder, secretary; and Donald Trent, treasurer. Henry Clark received the top honor, president of the Student Organization. Gene-Watt Stokes and Dorothy Wilson, as editors, shared the responsibility of the year book, *RENOCAHI*. We were proud of the football team led by Andy Courts and Pete Chaney, the co-captains. Bobby Peters was invited to play in the Shrine Bowl game. We had a wonderful time at the grand party that the Junior Class gave us.

Another highlight in our senior year was the weekly high school radio program. This was broadcast every Friday through the co-operation of station WREV—FM, here in Reidsville. Barbara McKinney led the radio staff and was the hostess on each program.

An exciting event during our last year was the week of "Twirp Season," sponsored by the Student Council. At that time the dating situation was reversed. "Freckles," the comic strip character had nothing on us, for this was one of the gayest and most outstanding weeks of the year—long to be remembered. The bashful and modest boys of R. H. S. were brought into the light from their dark hiding places and each girl had a chance to date her "heart-throb."

At last the big day of the perfect year had arrived—graduation day. It was a day for joy and tears, for students were thankful for having completed their training, but all were sad at the thought of leaving a home where they had spent many years. Yes, one hundred and five students, leaving footprints of experience behind, faced the world with a determination to strive for the better things of life. May our future endeavors be a reflection upon the school which prepared us for our role as worthy citizens of the community and the country.

MARIE RICHARDSON, *Historian*.

# Prophecy

The year is 1959. Many things have happened since I was a senior at Reidsville High School. Although I no longer live in Reidsville, I still like to hear news of my old Classmates of '49. Occasionally I see some of my old classmates on my television set. The other night I was surprised to see Bryan Watlington come up to the mike and introduce the famous torch singer, Lib Small, who is one of the featured stars with Billy Crutchfield's orchestra. Page Smith also shared the spotlight. I was glad to hear that Sonny Talley's radio program, "People Are Human," is popular. I always knew that his jokes would go over with the audiences. Incidentally, Marie Richardson is the director of Sonny's program.

I arranged for the editor of the "Reidsville Reviewer," Mac Maus, to send me a copy of his newspaper every day, so that I could find out what my friends are doing these days. I saw Robert Madden's grocery store advertisement. He must be doing good business to afford such a large ad. I saw a similar ad of Jerry Dalton's cleaning establishment. Anita Corum and Helen Wray, his office managers, are a valuable asset to Jerry's business. Also, I saw an ad for James Martin's auto repair shop. James is ably assisted by Bobby Jones and Paul McCollum, so it stated.

I turned to the social section of the paper and saw the announcement of the marriage of June Crowder to a local man. I am sure June made a beautiful bride. Her dress was designed by Madame Ellen. I remembered her as Dot Ellen Cheek. It's funny how famous people always change their names. Barbara Roberts and Jasmine Ware's florist shop furnished the flowers. The Reverend Donald Trent performed the ceremony. Nell Jean Chilton was June's maid of honor. The ushers were Arlen McKinney, Bobby Shumate, Lindsey Walker, and Elmore Matkins, all looking very handsome in their tuxedos.

On the sports page, I read of the great success of the Golden Lions this year, due to the fine coaching of Pete Chaney and Tommy Hopkins. Reidsville must also be proud of their professional football players, Charles O'Bryant, "Sheepie" Peters, and Andy Courts, who play for the Chicago Bears. They were given quite a write up. I read also of the fine pitching that Bobby Pritchett is doing with the New York Yankees. Ramona Travis is captain of a girls' baseball team that is now touring the country.

I noticed in the Reidsville High School News that their teaching staff is greatly aided by many of the '49 graduates. Jacqueline McKinney is an excellent English teacher, and Ann Trent is doing an excellent job teaching the Home Economics students. Dot Talley and Peggy Pettigrew are the physical education teachers. Joe Bray is the teacher of advanced Algebra. The principal, Billy Womack, is assisted by Charles Douglas, who last year taught Engineering at State, but who decided it was too much work and came to R. H. S. to help Jess Draper as an Agriculture teacher. They say that Jess is very popular with his students. I'll bet the girls would love to take Agriculture, too.

There was a notice that the Superintendent of Reidsville Public Schools, Preston Simmons, needed more grammar grade teachers. Although Betty Williams and Dot Wilkins are doing well, they asked for a transfer from the lower grades. Preston solved the problem by putting them in charge of the nursery school helping Colleen Pegram and Elaine Hayth. Ann Williams is also good with children, so she comes in every afternoon and reads to the children. Frances Robertson, Rockingham County's Home Demonstration Agent, and her assistant, Mary Ann King, are engineering an extensive 4 H project among the high school students.

I saw the work of the talented cartoonist, Thomas Barker, when I turned to the comic section. Although it did not say

so, I am sure that Davis McCollum, Bill Tuttle, and Jimmy Swann contributed some of their many jokes. Speaking of artists, Walter Hooper, the renowned traveler and explorer, is now climbing the Swiss Alps in search of a subject to paint that has what he described as having "Soul and Character"—truly a genius, that boy.

With election time near I see the "advertisement paid by friends" of Ronald Smith and Joan Ratcliffe, who are competing for a senatorial seat in Congress. May the best man, or woman, win. If I were home now I would support Brentwood Roberts as City Manager. Wilbur Clark was made Mayor of Reidsville by a large majority of votes. Billy Freeman is running against Walker Martin for Police Chief. The head of the Street Cleaning Department is definitely Allen Carter. Congratulations, Allen, I hope you will keep the city clean. Sam Arthur is the new Fire Chief.

Some of our class of '49 are world famous. Diane Young is Secretary of Agriculture on the president's cabinet. Gene Watt Stokes, the gifted North Carolina novelist, has just completed a best seller, "Forever Ambler." Marie Clymer is president of the National Homemakers Club. Nancy Barbee is still the world's champion stock car driver. Henry Clark is the National Open Golf Champion. Betty Sue Andrews is one of the famous Radio City Rockettes. (She is third from the left.) Craig Blackburn is now starring in his latest picture for Paramount, "Love Cures All." I was certainly pleased while attending a fashion show to see Carolyn Abell and Marianne Mobley as top-flight models for John Powers.

Two of our class made headlines when the plane they were in crashed. Edna Wilson and Hilda Friddle, who as Hostesses for Eastern Airlines, saved the lives of many of the passengers. Lec Hooper, a prosperous business executive, was among those rescued. Hilda suffered from severe burns and was taken to Johns Hopkins for treatment. When I went to see her, I met many of my friends who are nurses there. They were Barbara McKinney, Marilyn Coleman, Rachel Carlisle, Rachel Apple, Charlotte Moricle, and Mary Ann May. They told me some of the local news. Dot Wilson, a former Powers model, is now married to a successful surgeon. I was also pleased to hear that Marie Kelly, Marie Moose, Rebecca Vernon, Mary Lois Dixon, and Hazel Sartin were all happily married.

I got a letter from my old pal, Maggie Sue Durham, who is doing fine in her veterinarian business. She always did love dogs and cats. Arthur Pearson and J. M. Wright sell dog food to Maggie for her business. Their dog food, made by a special formula, is considered the best in the country. Maggie said in her letter that Frances Holderby has become secretary to the president of a large corporation. Working in the same company with her is Corinne Barber, who is the stenographer in charge of all outgoing mail. She is assisted by Sarah Tuttle, Betty Ware, and Peggy Canady.

June Gunn owns a large, modern beauty shop. On her staff are: Blossom Gann, cosmetician, Peggy Pierce, Lois Pike, Rachel Shelton, and Dorothy Washburn, hair stylists.

Sometime ago I heard about a large building which is to be constructed near Reidsville. I was greatly surprised to learn that some of my classmates were to be instrumental in its construction. Ben Lamb and Billy Walker are the engineers. David Troxler is the construction foreman. This building, which is owned by the multi million heiress, Barbara Giles, is to serve as a large clothing factory. Among her capable staff are: Thelma Rice, her personal secretary; Nancy Hopkins, her business manager; and Barbara Pritchett, supervisor of the fashion department.

# Class Statistics

In the world of today, a vital role is played by statistics. They tell us how many people are being born, married, and buried. Statistics presents a clear, concise picture of any subject.

Therefore, we thought that you might be interested in knowing some of the vital statistics of the Reidsville High School Class of 1949. Here we go:

Let us suppose that all of the girls and boys in the senior class were joined together in one great composite being, whom we shall call, "The Forty-Niner."

The Forty-Niner is a fairly well grown youth, weighing 11,598 pounds, standing 509 feet, 10 inches tall. He would be easy to follow, because his size 696 shoe would leave a unique footprint in the sands of time. An unusual appearance would be presented by the Forty-Niner's hair, which is 65% brown, 20% blond, 11% black, and 4% red, and by his eyes, which are 47% blue, 24% brown, 16% green, 8% gray, and 5% black. His teeth would sparkle like jewels, after he had brushed them with his favorite tooth paste, Colgate. A gardenia, his chosen flower, might adorn his hair or his coat lapel.

The Forty-Niner would prefer to dress in sport clothes, and the chances are the favorite color, blue, would be the predominant shade. A delicious piece of pie a la mode would send him into gastronomical ecstasy or, if his purse were depleted, a Coca-Cola or a Mound would satisfy his desire for nourishment. Undoubtedly he would be riding in an automobile if there were one in shouting distance, and he would be happiest in a Chevrolet. If a movie starring Ingrid Bergman, June Allyson, or Alan Ladd were showing, Forty-Niner would be right in the balcony with a member of the opposite sex, for his most popular forms of amusement are going to the show and dating. By the way, brunettes are most attractive to Forty-Niner.

Home is a very popular place to the Forty-Niner. Listening to the radio and leafing thro' magazines are pleasant home activities enjoyed by him. Musical programs will be playing on the radio most of the time, and he will listen most at-

tentively if the singer is Vaughn Monroe, but he will not change the station if Bing Crosby is crooning. Bob Hope is the best-liked comedian, with Fred Allen a close second choice. The magazine most widely read by the Forty-Niner is *Life*, however the girl in Forty-Niner prefers *Seventeen*, and boy chooses—yep, you guessed *Esquire*! The first thing he looks for in a newspaper is Dick Tracy, the comic strip which heads the list in his opinion. More than likely his favorite pet, a dog, will be around the house somewhere; and the musical instrument he loves best, a piano, may be in the parlor. When he wants to relax, Forty-Niner goes all out—his chosen form of relaxation is sleep!

Evidently, Forty-Niner would be happy at any time of the year even though his favorite season is summer, spring being the runner up. And yet, football, the sport from which he gets the biggest thrill, is definitely a fall sport; and his best loved holiday is Christmas, a winter festival.

Now, for some miscellaneous items:

Teasing other people is Forty-Niner's idea of a devilishly clever prank. His pet peeve is being treated like a child or having to wait for someone who is late for an engagement. Over a period of four years, he has traveled 205,315.2 miles to attend high school, where he studies most diligently English, his favorite subject. Forty-Niner is 34% Baptist, 28% Methodist, 19% Presbyterian, 16% Christian, and 3% other denominations.

Many adults apparently believe that the younger generation has little respect for its elders. On the contrary, when all of the members of the class of '49 were asked to name their ideal man and woman, the individuals most frequently selected as idols were not the famous statesman, authors, or actors of the world—the two ideals (by a landslide) were: "my father" and "my mother." Yes, the Forty-Niner deeply loves and respects his parents.

Figuratively yours,

HENRY CLARK, Statistician

## Footprints

On the sandy shores of time,  
Plainly printed there,  
We leave our footprints with the others;  
As we bravely take their dares.

We take the dares of the years before us,  
For the way of experience is best  
And we give the future a hearty greeting,  
A greeting from R. H. S.

For she has sent us on our way  
With an aim and a goal that's high,  
Put here we leave our footprints  
As we bid our past goodbye.

NANCY HOPKINS, Poet

DIANNE YOUNG, Salutatorian

HENRY CLARK, Valedictorian

Honorable mention—Marie Moose, Joan Ratcliffe,  
and Marie Richardson.

## This is a large, dense collage of black and white photographs, likely from a 1940s yearbook. The images are of various sizes and are arranged in an overlapping, non-linear fashion. The subjects are primarily students, captured in a wide range of activities and poses. Some photos show individuals in costumes, such as a Native American-themed outfit with a feathered headdress and a patterned skirt, or a student in a dark, hooded garment. Other photos depict students in more casual or athletic wear, including sweaters, skirts, and shorts. Group shots are interspersed throughout, showing clusters of students smiling or posing together. Some images appear to be from theatrical performances or school events, with students in dynamic poses. The overall aesthetic is characteristic of mid-20th-century photography, with a focus on capturing candid and staged moments of student life.
